Emerald Bible Fellowship & University Fellowship Church | Joining together as one united church family | June 5, 2022

Greetings EBF Family,

May 12, 2022

I am so excited about the opportunity for our churches to become one! What a blessing for UFC and I pray it will bless EBF and allow us to be more effective in equipping the saints and taking the gospel to our community.

Roughly 14 years ago when I planted UFC, I was asked by friends what my “plan” was. Honestly, at the time I didn’t have much of a plan so I said, if you are interested, give me your email address and I will keep you posted. That week began the first of my “Weekly Updates” I’ve sent to the UFC family for 14 years. The “update” is a mixture of ministry highlights and perspective, announcements with occasional humor and snark thrown in for free. It’s the best tool we have to keep a larger church feeling small and to keep everyone informed. I hope you will sign up for it soon and stay informed on what’s going on.

Here’s the step-by-step process to sign up:

- Go to www.university-fellowship.com
- Click on “connect”
- Click on “weekly email”
- Stop and admire my picture for a respectful moment
- Click on “sign up”
- Enter a “Login ID”... use your email address
- Enter a “password”... do you despise these as much as I do?
- Write down your password with your other secret passwords and leave it laying around your desk
- Fill out the contact information. The more you provide the more helpful it is to get to know you
- Under “Options” check both the boxes requesting text and email updates
- For extra credit download a photo (not required)
- Confirm you are not a robot to the robot taking your information
- Click “register”
- Sit back and await the weekly email, usually on Thursday, often on Friday some weeks on Saturday

Social Media provides other options to stay informed.

First, you can join our Facebook page called “UFC Community”. This is updated now and then and it’s a place for you to share things you think the UFC family would want to know. Like all private Facebook pages, it has some rules you’d need to read and agree to.

Second, you can follow us on Instagram at “universityfellowship” and “universityfellowshipkids.”

That’s about it. I look forward to meeting you on Sunday the 15th, both at the 10:00 AM service and then again at 6:00 PM for dinner. See you then.

Brett

If you wish to be removed from the EBF Contact List, please reply to this email at office@emeraldbible.com
