MISSION + VALUES

What We're Doing, and Why

University Fellowship Church is a gathering of Believers committed to loving God, loving our neighbors, and making disciples. Ultimately, we strive to reach the University of Oregon, its neighborhood, and the world with the message of Jesus.

"We love because He first loved us."

1 John 4:19

BIBLICAL

University Fellowship is a church that exists to follow and proclaim Jesus as revealed in the Bible. As a result, we will seek to know, understand and proclaim the truth of the Bible in word and deed.

AUTHENTIC

At University Fellowship, what you see or hear is what you get. We are committed to being genuine, transparent and straight forward in our communication and in our relationships, not manipulative or coercive.

HOSPITABLE

Jesus said that people will know that we are his followers because of our love for one another. Consequently, we strive to be friendly, welcoming, encouraging, caring and genuine both within our church as well as with those who aren't yet followers of Jesus.

GENEROUS

God so loved the world that he gave. In fact, He gave his only son, Jesus, who did not come to be served, but to serve. Since this is the example that we are to follow, we strive to be generous with everything that we have, including (but not limited to) our money, time, talents, and relationships.

DIVERSE

At University Fellowship we are striving to become a community that welcomes all who are seeking to follow Jesus, and creates spaces where people of all generations, races and socio-economic status can interact, learn from one another and worship together.

SIMPLE

When Jesus called his disciples, he simply said "follow me." While it isn't always easy, it is simple and uncomplicated. Our commitment is to make following Jesus as simple, accessible, and uncomplicated as possible. We will do this by communicating clearly, making involvement easy, and not over-programming people's lives.
